SAUVIGNON BLANC

NAPA VALLEY

This is the first release of our 2010 vintage wines. The growing season was exceptionally long, with a cool summer giving the fruit lots of hangtime. The grapes were harvested at full maturity at lower brix levels, resulting in a wine with bright fresh fruit with considerably lower alcohol.

This Sauvignon Blanc is sourced from one of our favorite vineyards. Long days and cool nights preserve acidity and give a wonderful balance. Cool fermentation preserves crisp freshness.

A delicious aperitif and a wonderful pairing with oysters, light white fish dishes, pastas with cream sauce and mushroom soup. It also complements your favorite cheese platter.
