NAPA VALLEY

2007
RESERVE
CABERNET SAUVIGNON

The 2007 vintage for Napa Valley Cabernet Sauvignon is excellent. The growing season started off early, following an extremely dry winter. The Spring was warm and the fruit enjoyed ideal growing conditions with sunny days and cool nights through a mild summer. Yields were low, but the fruit had deep, concentrated flavors.

This wine showcases fruit from our two estate vineyards, blended with fruit from specially selected Napa Valley sites. An intense wine that complements meals of choice cuts of meat, lamb or hearty stews. Enjoy it now or it will age nicely for the next decade.
